

Statement of Lisandra Ortiz
Candidate for Steering Committee
Taxation Community

I have been a member of the Taxation Community Steering Committee since 2022 and have served as Chair for the last two years. I would be pleased to continue to serve in the Steering Community and contribute to the efforts of the Taxation Community. I am a Member at Miller & Chevalier where I center my practice on federal tax controversy matters, representing clients in IRS audits, before IRS Appeals, and in litigation. I advise clients on complex issues, particularly those relating to transfer pricing. I have experience in the U.S. Tax Court and handling tax refund litigation cases. My practice also encompasses advising clients on the resolution of cross-border double taxation disputes through the competent authority process and negotiating advance pricing agreements between the IRS and other tax authorities. I maintain an active pro bono practice focused on the representation of asylum applicants before the USCIS and in court.
