

**Statement of Maggie Horstman
Candidate for Steering Committee
Early Career Lawyers Community**

I am excited to submit my candidacy for a position on the Steering Committee of the Early Career Lawyers Community. As 2022 graduate from American University Washington College of Law, and third year associate at Nixon Peabody LLP, I understand the unique challenges and opportunities we face early in our careers. I am eager to contribute my skills and enthusiasm to help build a supportive community for all our members.

My primary goals for the Community are to enhance networking opportunities, offer practical resources, and create a supportive community. I am hopeful that I, alongside my fellow committee members, can make this group a fantastic resource for all of us and provide a true sense of community. I look forward to the opportunity to help shape the future of the Early Career Lawyers Community.

Thank you for your consideration!

Sincerely,
Maggie
