

Statement of Priya Nair
Candidate for Steering Committee
Intellectual Property Law Community

As a proud member of the D.C. Bar, I have had the privilege of working alongside our vibrant intellectual property (IP) community to help clients secure meaningful IP rights and shape evolving legislative and policy outcomes. My journey in the IP space began in D.C., where I earned a J.D. with Recognition in IP from The George Washington University Law School. Since then, I've remained deeply engaged in key policy debates and emerging IP issues, while leading initiatives to ensure that courts and policymakers hear the informed voices of our community.

It would be an honor to serve on the Intellectual Property Law Community Steering Committee. I am committed to continuing the important conversations that impact our practice and our clients' ability to succeed. If selected, I will focus on identifying the pressing issues facing our community and helping to create opportunities for practical, experience-driven solutions.

Thank you for your consideration. I look forward to the opportunity to give back to and advocate for the trailblazing D.C. Bar IP community.
