

**Statement of Craig Leen**  
**Candidate for Steering Committee**  
**D.C. Affairs Community**

I would love to serve our DC Affairs Community on the Steering Committee. I have the passion and commitment as shown by my work for our Community in other roles. I currently serve as the Community Outreach Coordinator and previously as the Program Committee Co-Chair. I'm also very involved in the DC Bar and other Bar-related organizations, including as a member of the Rules of Professional Conduct Review Committee and as a Director of the Bar Association of the District of Columbia, including as Chair of the BADC's Civil and Human Rights Committee.

I've worked in the civil rights and disability inclusion fields for much of my legal career. I'm also a devoted parent to an amazing daughter who is autistic with an intellectual disability. One major focus I would bring to the Steering Committee is on disability inclusion and access in DC and in our court system.
