

## **Candidate Statement**

As Executive Director/CEO of the National Association of State Treasurers and the former Chief Operating Officer of a member association and DC Department of Health, I am aware of the importance of developing and promoting products and services for members and constituents as well as proper fiscal management. I am also a Certified Association Executive.

As DC Bar Treasurer from 2020-2021, I worked with the Board and Bar staff to help steer the organization through turbulent times. If re-elected, I will continue to apply my association and fiscal management experience to benefit the Bar and all of its members. I will make sure that our membership dues and the association's finances are properly invested, managed, and expended to guarantee the long-term stability of the Bar.

My experience managing associations and organizations will help us achieve continued success. I would greatly appreciate your vote. Visit [www.shaunsnyder.org](http://www.shaunsnyder.org) for more information. Thank you!
