

Statement of Frank Maley
Candidate for Steering Committee
International Law Community

I am an Attorney Advisor at the Federal Maritime Commission, a graduate of a joint degree program through the George Washington Law School and the Elliott School of International Affairs, and a recent term law clerk for the Seventh Circuit and the Southern District of Indiana, and while in Indiana I served as a board member at the Joseph Maley Foundation. I hope to bring these experiences to benefit the DC Bar and International Law Community.

As I set down my roots in DC and continue to grow my involvement with the DC Bar, I am excited for the opportunity to serve the International Law Community as a steering committee member. While I am still early in my career, if elected, I would bring a passion for the work of this community and its members and an eagerness to work and learn alongside the other members of the committee.
